Commissioned by Dudley CCG, everyone admitted to hospital in Dudley is referred to us and offered follow up for up to 12 months

BUT STROKE is for LIFE . "Life goes on after a stroke". Our long term support offers activities, chance to meet others, or just a listening ear when its needed . The service we offer from 12 months onwards is not funded, so fundraising is important for us.

Commissioned by Dudley CCG, everyone is entitled to a review to check their progress, offer support and signpost to other activities and organisations as required

Funded at present by Public Health, raising awareness that STROKE is a medical emergency, and it is important to ACT FAST. Lifestyle can increase or decrease your risk of a stroke, sharing the importance of a healthy lifestyle; and reduce the risk.
